All unlimited pitchers can pitch up to 25 starts and 40 reliefs if needed. Unlimited Relief is good for up to 40 games. No starts can be made by pitchers rated unlimited relief. Twenty-five starts can be made by Unlimited starters. No relief appearances may be made by these pitchers. Remember all teams must have 600 AB for each of the eight field positions. All teams must also have 154 starts to cover the scheduled games.

The following players bid adieu to SPB after their swan song 1955 appearances:

Some of these players only appeared for a few moments, but others contributed to their teams success. Leave us give them a fond farewell!

The following players are not returning for 1956, but will rejoin the SPB League in years to follow:

Babe Birrer	Joe Altobelli	Bill Taylor
Wayne Terwilliger	Bobby Young	Chet Nichols
Roman Mejias	Humberto Robinson	Barney Schultz
Ray Herbert	Art Ceccarelli	Bill Henry
Rudy Minarcin	Ramon Monzant	Charlie Silvera
Jerry Lynch	Bobby Tiefenauer	Harry Byrd
Joe Taylor	Don Johnson	Phil Paine
Jim Bolger	Jack Littrell	Hardy Peterson
Mel Wright		

These players were released from their teams and will be back in the rookie drafts over the next few years, so be sure to keep them in mind.

Players who spent 1956 in the Military for '56 are so designated with an ML after their names on the appropriate rosters. Also players with a NC after their names are men who were deemed viable to the teams future, but may not be used during the 1956 SPB Baseball season.

I hope this information will be a help to you for all your roster considerations for now and the immediate future.
