MEMO: To All SPB Managers

FROM: Jim Wheeler
Commissioner

SUBJECT: NEW MANAGERS

As you all know by now, Red Sears has resigned from both the SPBI-56 and SPBII-44. However, we now have two (2) new managers on board. They are:

SPBI-56 : BOB CALICCHIA

SPBII-44: RANDY ZALESKI

Some of you may recognize Bob's name from the ADML league as well as SPBII-44 where he recently took over from the departed Tom Mink. Randy is a friend and co-worker of Frank Papp's. We welcome them both to the league.

Once again, I am asking all managers who are scheduled to play either at home or on the road versus Red Sears in the month of June, to please contact me. I need to determine exactly where Red has left off so that Bob and Randy can make the transition as smooth as possible.

Also, a new address list has been enclosed dated 6/9/94. Please replace any earlier version with this latest edition. Thanks.
