SPB I I - 44

Tom Mink has resigned as manager of the BLUE RIVER BEARS effective May 21, 1994. Taking over the Bears will be BOB CALICCHIA. Please direct all appropriate league instructions for the Bears to Bob. Bob is a personal friend of the Antelope's manager, Mike Cascarano and is also a manager in Vern Easley's ADML league. So give Bob a call and welcome him into the fold. Here is his address:

BOB CALICCHIA
11971 MARTHA ANN DRIVE
LOS ALAMITOS, CA 90720
(310) 594-6598

RED RESIGNS

Due to failing health, RED SEARS has resigned from both SBPI-56 and SPBII-44. At this point no replacement managers have been found. Will all managers scheduled to play Red in either league contact me for directions on how to proceed with his games. If anyone knows of a good manager wanting to join in either league, please contact me ASAP.

56 CORRECTIONS

Please make the following correction to your SPBI-56 disk. Minnie Minoso of the Minors should be rated to play all outfield positions. He should be rated as Average in left and right fields and Fair in center field. Use the AL era, Fenway Park and assign him an error rating of 100. If you are unsure as to how to make this modification, contact myself, or John Turnbull.

Also on Vern's player limits, Don Ferarrese was incorrectly listed. He falls into the unlimited pitcher category and should be listed as having 25 starts and 40 relief appearances.

COMPUTER MANAGER

Did you know that you can send your manager profile by disk? Also, are you aware that you can send your opponent boxscores, scoresheets, and series stats by disk? Sounds like a paperless league to me. Well, it can be a reality with just a minute understanding of pc's. If you want to know more about the ease and time savings that this represents to you, contact me for details on how this magic is performed.
