

SEASONS PAST BASEBALL  
1955 SEASON

10/05/1993

MANAGERIAL CHANGE

Effective immediately George Kaldis will no longer be a member of the league. His replacement is Red Sears, 2708 Overland Avenue, Baltimore MD. 21214 #(410) 254-1481.

All instructions for the November series should be sent to Red. Those managers playing the Titans in October will be contacted by the league office with further instructions on playing their series. Also please disregard any instructions you may have received from George Kaldis regarding any future series. The Titans will remain known as the Toronto Titans for the remainder of the season.

Red is a former sports writer for the Baltimore newspaper and his age is somewhat close to that of Frank Papp. Red is very excited to be joining us as he has been waiting for a team for over a year. Give Red a call and welcome him to the league when you get the chance. I think he will prove to be a valuable member of the league.

If anyone has any questions regarding this change please contact me for more details.

Best wishes,

  
Jim
