The Scoreboard

Year #3, Issue #3

August 1994

Thank God for minor league baseball, and the Little League World Series! It just goes to prove that no matter who plays, that BASEBALL IS BASEBALL! The question now is who will win the West?? Everyone in the West is within 6 games, where in the East, NOBODY is within 6 games! Now that inter-divisional play begins, things should get REAL interesting!

PITCHERS HATE GRIFFITH

For the month, both teams combined, 217 runs, 364 hits, 46HR's in 15 games, including a 18-14 Grays loss to the Falcons, and a 13-10 and 14-10 split of the Knights.

TRIPLE PLAY RECORDED

The first triple-play has been recorded for the year, and possibly in SPB history at Evanston, when in the first inning of the Black Sox game against the Grays, The Sox's Vic Wertz lined into the fateful trio when he lined to third, Lepcio stepped on the bag to get Elmer Valo, and then threw to Gene Baker to triple up Gus Bell. It did not help the Grays defense as they lost to the Sox, 16-4.

INTER-DIVISIONAL PLAY BEGINS

September ushers in the advent of the 7-game series for the remaining 3 months of the season. It is important to keep a couple things in mind. 1) When playing games, it is a good idea for games 6 and 7 to set the AWAY MANAGER on HUMAN so that you can chose the starter manually, so that the computer manager doesn't chose the wrong one. Once the game begins, you can use the CHANGE OPTIONS mode to switch the Away manager back to the COMPUTER mode. 2) Rest both teams one day after game 4.
